RE: Non-National UCC form Charges and Searches

Beginning 1 August 2005 the Division of Corporations and Commercial Code will be charging for the submission of nonstandard UCC forms (e.g. schedules, attachments, exhibits, etc.).

All pages submitted, National form or otherwise will be charged at \$12.00 per page.

Only data submitted on the National Form will be viewable on the online search (Uncertified or Certified).

In-house searches will only provide the data within the system unless stated that original copies are needed in box 3 "Additional Services".

Certified searches will only certify the data which is in the database. The division will not certify original documentation at this time. However, the division will provide original documentation (not certified) if requested in box 3.
